

healthsalt

healthsalt

- healthsalt™**
- Contains a unique blend of natural gluten-free mineral salts
 - Tastes, bakes & cooks like salt
 - Measures exactly the same as salt
 - Can be used everywhere salt is used
 - Has no aftertaste
 - Has no calories
 - Is safe for diabetics and hypoglycemics
 - Is 100% natural, vegan and kosher
 - Contains no chemicals
 - The clean salt taste you know!

Ingredients:

Mineral Salts	healthsalt is the proprietary blend of natural mineral salts which tastes virtually identical to ordinary table salt, yet contains only half the sodium.
---------------	---

Health:

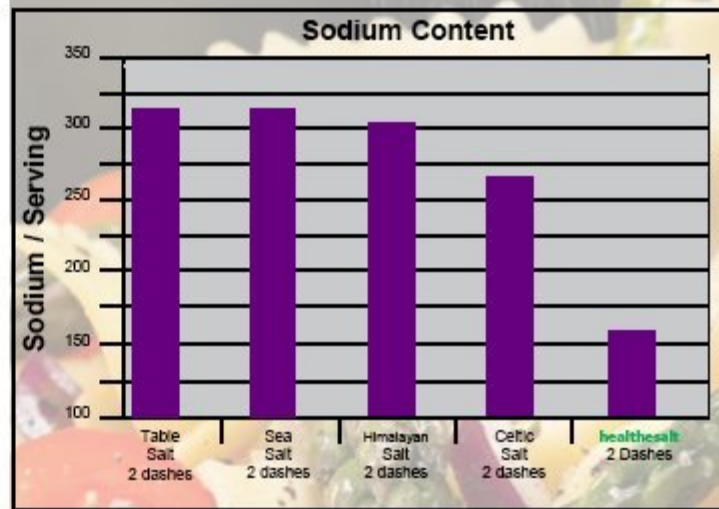

Support cardiovascular health, blood pressure and sodium levels with **healthsalt**, the only low sodium, natural, gluten-free salt that tastes like table salt.

Foods & Drinks:

Use **healthsalt** the same way you would salt in cooking and baking. Sprinkle **healthsalt** the same way you would table salt on foods. Use with the knowledge that you are decreasing your sodium intake by 50% while enjoying the taste and flavour of the foods you love.

Cooking & Baking:

Add **healthsalt** the same way you would table salt, sea salt, kosher salt, or any other salt in cooking or baking. When using **healthsalt** you can rest assured that your recipes will turn out and taste the same as if you used regular salt, only with **healthsalt** you reduce the sodium content by 50%, and improve your health!
